The Committee of Elphin Sports Centre Inc. is focused on providing opportunities for people of any age, gender, or ability.

The Centre caters from National Competitions right through to grassroots sports, mainly used by basketball, badminton, table tennis and futsal. User groups also include schools, disability groups, wrestling, martial arts, keep fit groups, indoor bowls, pickleball and some exhibitions.

We are the major indoor sports complex in Northern Tasmania, for basketball, badminton, and table tennis and all use these facilities as their headquarters. Predominantly catering for the population of Northern Tasmania, we do actively seek National and State events.
